Manufacture	Concorde is manufactured in Belgium by the Balta Group

Features & Benefits

Concorde is a sustainably manufactured indoor/outdoor carpet with needle punched fibres designed to trap soil from any direction. Concorde is durable, UV resistant and easy to clean.

Installation

Concorde must be installed by a competent and experienced carpet installer and we recommend the stick method using outdoor grass adhesive.

Recommended Adhesives

Roberts 6037 Outdoor Grass Adhesive

Cleaning & Maintenance

Proper maintenance is one of the most important factors to ensure good performance of any carpet. Concorde should be vacuumed daily as it will collect up to 90% soiling before it is tracked into the interior of the building.

Warranty

Interior Installations: Concorde has a five year warranty on wear and performance, stairs excepted, conditional on the product being installed and maintained according to the manufacturers recommendation.

Exterior Installations: Concorde has a three year warranty on wear and performance and against breakdown from UV.

Our goods come with guarantees that cannot be excluded under the New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
